I know personally, that they went to residence just as soon as it was possible for them finding this so

Dear Sir:—

May I apply for my patent on South ½ Sec 14. 29. 9 the last of April 1913. I filed April 25. 1910 moved right out on my place built a house and broke a nice garden patch. It was so very dry that summer or I would have broke more. I stayed until the middle of July when I went out to put up hay this country had all been burnt off and there was no hay or feed for miles and miles We came back the first of Sept 1910 and stayed a few weeks but as my wife was sick we had to move near a Dr. so we went up near Sedgwick for the winter.

Some one told by me going out to put up hay that it would not count as time on my place as I wrote right away for an Extension but the Homestead inspector has told me since that it

of count as time as we were
putting up the hay for our own

Sir:

Re S.M. 1 of 20-28-8 W4th.

We beg to acknowledge receipt of your memorandum of the 4th instant in regard to the abandonment by Mr. J. Pettigrew of his pre-emption entry for the above described quarter section and referring us to an attached letter written by Mr. Pettigrew in which he protests against being called upon to relinquish this quarter section in order to obtain the benefits to be derived under the Order in Council of the 11th of February last.

In reply we would advise you that instructions were issued to all Supervisors of the Board as to the procedure to be adopted under Order in Council of the 11th of February. Under these instructions, settlers who have obtained entries on Dominion Lands are not deemed eligible to purchase land from the Board under Order in Council and settlers owning private lands to the extent of 320 acres or more are not extended the privilege of land purchase. Our Superintendent should not, therefore, have detailed Mr. Pettigrew's application for the purchase of land.

Under the new Soldier Settlement Act, settlers who [illegible] first [illegible] of the 11th inst., [illegible] to the approval of the Board, purchase land in addition to [illegible] if, in the opinion of the Board, it is necessary to his [illegible] settlers but be deemed advisable by the Board that the additional holding should be sold. Mr. Pettigrew's [illegible] be very suitable [illegible] under the [illegible] Act.

MEMORANDUM:

Re. S.W. ¼ of 30-28-8 W4th.
Pre-emption - Jas. Pettigrew.

Adverting to our memorandum of the 13th of June last in connection with the application of Mr. Pettigrew who desires to retain his pre-emption entry for the above described quarter section in addition to purchasing land from the Board, may say that we are advised by our District Superintendent that Mr. Pettigrew was granted the privilege of purchasing a quarter section from the Board if he abandoned his pre-emption entry for the above described quarter section.

From the information which we have received, there appears to be a little sharp practice on the settler's part. When he executed an abandonment of his pre-emption, he reserved his right to re-file on same as a soldier grant. This, he is unable to do as under the new Act, 1919, any settler who obtains a loan from the Board for the purchase of land is not eligible to obtain a soldier grant entry.

The Board is not prepared to give this settler any special consideration, but must conform strictly to the regulations. The necessary action may, therefore, be taken to cancel Mr. Pettigrew's pre-emption for the above mentioned quarter section. if the same is in default.

FEB 5 1920
DOMINION LANDS BRANCH

Sir:

We beg to acknowledge receipt of your letter of the 16th of January, with respect to the S.W. ¼ 30-28-8-W. 4th, which land was formerly held as a pre-emption by Mr. James Pettigrew, who was notified that he will be unable to secure assistance from the Board in connection with the purchase of land unless he abandon the same, as the area which he already holds is looked upon by the Board as an average farm for the district.

The District office, upon being furnished with information that Mr. Pettigrew has commenced his pre-emption proceeded with his application to purchase. A loan of $5,300 was approved in favour of this settler, $3,800 being for the purchase of land, and the balance for livestock and equipment. It later appears that the settler's abandonment of his pre-emption had been of a conditional nature and that the same had, therefore, not been carried out by your Department.

It appears that Mr. Pettigrew now strongly protests to giving up this quarter-section, if he is not allowed to take up same as a soldier grant entry. Under the provisions of the Soldier Settlement Act, as Mr. Pettigrew has been assisted in land purchase and already holds land constituting an average farm for the district, he would not be eligible for a soldier grant entry. The question of the cancellation of his pre-emption is not one in which the Board feel that they would be justified in making definite recommendation.

At the time his loan was approved by the District Superintendent it was understood that he had abandoned his pre-emption, otherwise his loan would not have been proceeded with. Strictly speaking, the District Superintendent should not have proceeded with the loan approval until after the abandonment had been duly accepted.

4310373

In view of the particular circumstances of the case, and if the facts are as set out in Mr. Pettigrew's letter, namely, that he has made valuable improvements on the land, and at the time he filed his declaration of abandonment he did so on the understanding that he would be able to re-enter on the same as a soldier grant entry, the Board would not press for the cancellation of his pre-emption entry.

DOMINION LANDS BRANCH

Dear Sir,-

Re. James Pettigrew,
S.W.¼ 30-28-8-W.4th M. (S.G.)
Your ref. 1899355.

Replying to your letter of the 24th ultimo we may say that we have just received the following report from our District Superintendent at Calgary -

"Adverting to your letter of February 20th last, at which time you forwarded a letter which had been received from the Department of the Interior, we have carefully examined our file, and as far Pettigrew grazing stock on this property is concerned, we would say that our records show that he purchased five head of horses in 1919, and three head of cattle in March 1920. There were some five head of increase from this stock, which would make a total of thirteen head. Two cows were sold in June 1923, three head of horses in August 1923, one horse in January 1924, and one horse in April 1924.

As far as the fencing is concerned, our file does not indicate that there was ever any fencing on the soldier grant, except half a mile along the North boundary line of the S.W.¼ of 30. This particular half mile of fencing was claimed by a man named Arbuckle, who said he erected it while he was leasing the property from Pettigrew. Mr. Arbuckle, however, had no authority from us to remove the half mile of fencing. As far as we know it is still in existence. The N.W.¼ of 30 is fenced all around.

There is nothing on our file which would indicate that our Supervisor had given any authority to anyone to remove any fencing from theS.W.¼ of 30."

Yours truly,

S. Mater

OTTAWA - JUN 10 1929

Memorandum:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: James Pettigrew,
S.W.¼ 30-28-8 W.4th - S.G.

The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in May, 1919, and in due course secured advances from the Board amounting to $6,986.28, as follows: land purchased, $3,770; permanent improvements, $800; stock and equipment, $1,440; Special advances, $976.28. As security the Board holds a charge on the settler's soldier grant. The only other land security in this case is title to the S.W.¼ 33-28-7 W. 4th and the N.W.¼ 30-28-8 W.4th.

On the 1st of June, 1923, it was reported that the settler had recently undergone a serious operation which rendered him incapable of carrying on the strenuous farm work. The settler called at the District Office and his case was discussed with him. The conclusion arrived at was that it would be necessary for the settler to relinquish his farm, as he could not work himself and was not prepared to engage hired help. The settler requested that a Quit Claim Deed be prepared and his agreement with the Board was finally rescinded pursuant to a Quit Claim Deed executed by him on the 5th of June, 1923.

The settler's indebtedness amounts to $8,806.29. The S.W. quarter of Section 33 purchased for the settler is valued at $2,187. The N.W. quarter of Section 30 the settler's patented homestead is valued at $505. The S.W. quarter of Section 30 the soldier grant is valued at $480. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his soldier grant.

A Vesting Order for signature is attached hereto.

Dear Sir:

Re: N.E.¼ of 33-24-12 W4th.
and N.W.¼ of 33-24-12 W4th M.

I might state that I held the above land under Homestead and Pre-emption entry and received patent for the N.E.¼ of 33 on the 16th of March 1920 and for the N.W.¼ on the 29th of September 1915.

My recollection of this transaction is to the effect that when making application for patent, my Naturalization Certificate was forwarded to the Department of the Interior at Ottawa and so far as I can ascertain, same has never been returned.

I have recently communicated with the Department of Lands and Mines of the Provincial Government, Edmonton, and I am advised that they have no record of the matter as lands were patented prior to the transfer of the resources to the Province.

It would be appreciated therefore if a search could be made and if the document is on file in your Office, that the same be forwarded to me, c/o The Agent of Provincial Lands, Calgary, or if it is not on file that I be advised to that effect, to the same address.

DOMINION LANDS OFFICE
MAY 20 1915
CALGARY, ALTA.

Youngstown, Alberta,

May 7, 1915.

To

The Department of the Interior,

Ottawa, Canada.

Dear Sir:

On or about the 30th day of June 1909, I filed on the North West Quarter of 33-27-9, West of the 4th in the Province of Alberta as a Homestead and on the North East Quarter of 33-27-9 for a pre-emption. I have lived continuously on the Homestead and proved the same up in 1912. I have, on the said Homestead, Ninety (90) acres in growing crop this year. I have been unable to raise sufficient money to pay for the proving up of the pre-emption.

On my return to the homestead some days ago I saw that there was a notice of cancellation against my pre-emption posted in the Benachi Post Office. I have done all the duties required to prove up this pre-emption, but failed to do so because last year's crop was a total failure in my district and I was forced to go out and earn enough to tide me over the winter and I was compelled to rent out the Ninety (90) acres of breaking I have done on my Homestead.

I have not had a crop since locating here. I am now back on the Homestead and cannot understand why my pre-emption should be cancelled. I enclose my own affidavit and the affidavits of two neighbours bearing out what I say.

I may say that I have a loan of Eight Hundred Dollars ($800) from a Trust Company on my Homestead and I will not be in

a position to farm the land if my pre-emption is cancelled.

Will you kindly write me by return mail advising me that cancellation proceedings against my pre-emption are rejected.

Yours truly,

Encl.

IN THE MATTER of the Cancellation proceedings against the North East Quarter of Section Thirty-three (33) in Township Twenty-seven (27), Range Nine (9) West of the Fourth Meridian in the Province of Alberta.

I, JOHN D? McCLEAN, of near Benachi, in the Province of Alberta, Farmer, make oath and say as follows:

1. I know and am a near neighbour of Charles F. Foin, whose Homestead is the North West Quarter of Section Thirty-three (33) i in Township Twenty-seven (27) Range Nine (9) West of the Fourth Meridian in the Province of Alberta, and whose pre-emption is the North East Quarter of Section Thirty-three (33) in Township Twenty seven (27) Range Nine (9) West of the Fourth in the said Province. The said Foin proved up on his Homestead in the year 1912 and sinc filing has lived on his Homestead up to the beginning of last winter, when, owing to crop failure during 1914, he was compelled to go out to work in order to support himself.

2. The said Foin has Ninety (90) acres in crop on his said Homestead this Spring in good shape. I know the said Foin could not live on his said Homestead and I believe that he came back to his said Homestead for the purpose of proving up his said pre-emption.

3. I say that the said Foin bears a good reputation through-

out this District and in my opinion cancellation proceedings against his pre-emption should not be granted.

Dear Sir:

RE: S.E. 12-28-10-W.4th M. Homestead.

I beg to inform you that your letter of the 29th ultimo has been forwarded to me for attention by the Director, Department of Lands and Mines, at Edmonton, Alberta. Your remarks are noted that you are endeavouring to establish your age.

According to our records when making application for patent for your homestead, the land above described, on the 25th March, 1913, you stated that you were 44 years of age. In your application for patent for your Volunteer Bounty Land Grant, the W.½ 12-28-10-W.4th M. executed on the same date you also stated you were 44 years of age.

It is noted that in your application for patent for your pre-emption, the S.E. 12-28-10-W.4th M. executed on the 12th August, 1915, you inserted your age as 47 years.

I might add that the applications for patent for your Volunteer Bounty Land Grant and your homestead entry were made before the Sub-Agent at Hanna, Alberta.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

Sir,-

I and Brother have driven across the country two hundred miles to get to the land that we had placed scrip on we had four waggons heavily loaded and when we got there we were terribly disappointed with the land it is too sandy altogether and now there is two big alkali sloughs on sect. 32 and three big alkali sloughs on sect. 33 we havecome back as far as Bassano which is one hundred miles from where we had placed scrip. I went to Calgary land office yesterday to see if we would abandon it and they told me to write to Ottawa and explain just how the land was.

Last June I drove over this land and I suppose on account of the soil being wet was what made it look a lot better than it really is. Last June it was covered with grass which helped to hide those alkali sloughs.

We would have moved in last fall had the fire not run over and burned all the grass. We came to Granum seven years ago, took a homestead and by careful saving had gathered enough to buy two scrips each I write you to see if we could abandon these four scrips. I trust you will do us this favour. We will not go back to that part of the sand desert anyhow. If we don't be granted the privilege to abandon these scrips we will be at a total loss.

Kindly address to Granum, Alta. as we are leaving for there to-morrow.

Dear Sir:

re George H. Heller Loan Number 2.

On November 19th, 1916, we sent to you check for $106.61, in payment of the seed grain registered against the N.½ 32-29-6-W.4. Mr. Heller informs us that in October, 1915, he paid the sum of $80.00 and interest to the Planet Elevator Company and he received no credit for this amount. He states there is a possibility that it may have been applied on J.H. Heller's lien on the S.½ 32-29-6-W.4.

We shall be obliged if you can look into this matter, and let us hear from you at your earliest convenience.

Yours truly,

Dear Sirs:-

Re George H Heller- N W ¼- 32-29-8-w 4th

On transferring the above property from Mr George H Heller, I find that there is still registered against same the seed grain lien for $53.75 and int from Jan 1st 1916.

I have however, on file here, a receipt from the Dept of the Interior- Dominion Lands Office at Calgary # 238528 under date of Dec 16th 1916 showing that Mr Heller had paid to the Dept the sum of $92.00 paying the above lien off in full as well as a certain other lien as well.

On taking the matter up with Mr Talbot , agent at Calgary, he advised that this lien has been paid in full and that the discharge of same had been issued on Sept 7th 1917.

Please check this matter up and send to me in any event the necessary discharge so that we can get same taken off the records as the Lands Titles Office still claims it is in force and unpaid, as I got a new abstract today showing it still registered thereon.

Yours Truly

Walter M Crockett

Sir,-

I and brother have driven across the country two hundred miles to get to the land that we had placed scrip on we had four wagrons heavily loaded and when we got there we were terribly disappointed with the land it is too sandy altogether and now there is two big alkali sloughs on sect. 32 and three big alkali sloughs on sect. 33 we havecome back as far as Bassano which is one hundred miles from where we had placed scrip. I went to Calgary land office yesterday to see if we would abandon it and they told me to write to Ottawa and explain just how the land was.

Last June I drove over this land and I suppose on account of the soil being wet was what made it look a lot better than it really is. Last June it was covered with grass which helped to hide those alkali sloughs.

We would have moved in last fall had the fire not run over and burned all the grass. We came to Granum seven years ago, took a homestead and by careful saving had gathered enough to buy two scrips each I write you to see if we could abandon these four scrips. I trust you will do us this favour. We will not go back to that part of the sand desert anyhow. If we don't be granted the privilege to abandon these scrips we will be at a total loss.

Kindly address to Granum, Alta. as we are leaving for there to-morrow.

Dear Sirs:- Under date of August the 22nd, 1910, I was notified by the Dominion Lands Office, Calagry, that I had 30 days from the date of the notification, to make entry on the South East quarter of Section Thirty Two (32) in Township Twenty Nine (29) Range Eight (8) West of the 4th Meridian, in the Province of Alberta. I applied at the office of the Dominion Lands, Calgary, on the 15th inst., for entry, and was refused, with the bare explanation, that I was to wait until further instructed.

I would like to know, under what right have to take a long journey to Calgary, in order to make entry, as per instructions, received from that office, and then find my entry refused. I would be pleased to have an early reply to this.

Awaiting same, I remain.

NOV 25 1928

Sir,-

N.E. ¼ of Sec. 2 Tp. 57 Rge. 25 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

POSTING OF LAND, OTHER THAN SOLDIER SETTLEMENT LAND.

Lethbridge, Alberta, 15th January 19 25

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 26th January 1925 the North-East ¼ of Section 22 Township 17 Range 10 West of the 4th Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

(1) On the day above mentioned, that is on the morning of the 26th January (Entry in person or by proxy.)

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

(2) On the following day, that is on the morning of the 27th January (Entry in person and at office of Agent only.)

For ordinary homestead entry by returned soldiers who have served Overseas and who produce.—
(*a*) Evidence of honourable discharge.
(*b*) If not discharged, evidence of being incapacitated and of honourable military record.
For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 28th January (Entry in person or by proxy.)

By general public including civilians, men on active service and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $.....

Payment for Improvements.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of its valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land.

The following indebtedness is charged against this land: $ 272.33 If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

Agent Dominion Lands.

Postmaster at Aldersyde, Alberta.

Re: Account of Ole L. Borge
N.E. 32-17-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918, 1919 and 1920 seed grain amounting to $272.33 was advanced to Ole L. Borge on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 272.33	$ 593.73	$ 866.06

The N.E. 32-17-10-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 8th of January 1925 and is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 14th of February 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"In reply to your letter of the 14th instant, I wish to advise that the above land is included in Grazing Lease No. 32584. This lease issued for a term of twenty years, and expires on January 1st, 1962.

The above land is situated outside of the homestead lease area, and it is not likely that it will be used again for farming purposes."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

Dear Sir

I located and took up a pre-emption on the South half of Sec 3 Tp 3 Range 1 West of 5th Meridian on the 30th of June last. I am not able to get into it by end of month. I have a large family under 14 yrs and have to work to support them. The land is sixty 7 miles from nearest Town and railroad and there is no school near. I would like to get an extension of time of six months to give me a chance to get on. If I can not get the extension I will have to abandon it as I can not keep the family on the homestead just now. Hope you will be able to grant me this favor

I remain

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Madam,

Referring to your letter of the 20th August last, which has been transmitted here by the Agent of Dominion Lands, Medicine Hat, I am to say that it appears that Letters of Administration have not been applied for in connection with the estate of the late John M. Telgren, who, in his lifetime, made homestead and pre-emption entries for the West half of Section 3, Township 9, Range 7, West of the 4th Meridian.

The report of the Homestead Inspector of the 23rd August, 1912, shows that the following improvements are on the land:

Lumber house, 10 x 12, value	$75.00
One mile two wire fence, value	35.00
20 acres cropped, grain in stack	100.00

You may consider it advisable to obtain legal advice from a reputable lawyer, with a view to making application for letters of Administration if you think you have any reasonable claim, but it does not come within the province of this Department to advise you in the matter.

Re SEED GRAIN

Sir:-

In reply to your enquiry regarding seed grain I have to inform you that it is hoped that settlers will be able to provide themselves with seed grain this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work a heavy burden on the Federal Government, which calls for the greatest possible co-operation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land and in destitute circumstances, who lost his crop last year by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acres already under cultivation on the applicant's unpatented land and no seed will be allowed for spring breaking.

3. All applications before receiving any consideration from this office will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was filed upon by the applicant, is in good standing and patent not issued.

4. It is not the intention of this Department to ship any seed from outside points provided seed grain can be purchased locally by applicant on Government order. Applicants must give name and address of party or parties from whom the seed they require can be purchased, and state the price per bushel. If grain cannot be procured locally, the Department will purchase the seed required but applicant must state on his application the station where the grain should be shipped to.

5. If the applicant receives favorable consideration an official order will be issued from this office accompanied by liens. The party to whom this order is made out will supply to the settler the amount of seed stated thereon. After the liens have been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and receipt for the grain together with executed liens in duplicate to this office. After papers so received are found to be properly completed, a Department cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. Settlers on patented land requiring seed grain must apply to their Municipality or to the Provincial Government.

8. Any applicants securing seed grain from this Department through any misrepresentation will be severely dealt with.

Enclosed please find application blank.

J. BRUCE WALKER,

Commissioner

The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Joint Relief, charged against the S.W.¼, 3-9-7-W. 4th Mer., for advances made to Alvin Chestelson, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated July 7th, 1932, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor held homestead or pre-emption entry to the said land, but did not complete his duties and his entry thereto was cancelled and this quarter section is now vacant Crown land.

2. That the land is situate in an extremely dry District and has a very low value, being suitable only for grazing purposes, and as it will not be possible to bring the land back into use so long as it is encumbered with the liability of the original entrant, it is desirable that the liens be discharged.

3. That there is no possibility of making any collection from the debtor under his personal covenant.

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Dear Sir:-

RE: Alvin Chesteleon - Joint Relief,
S.W. 3-9-7-W.4th Meridian.

This man received a Relief advance from the Provincial Government, the account of which appears hereunder:-

RELIEF:

Lien #4184 April 13th, 1920. $136.90
Interest to 31/3/31. 105.02
$241.92

136.90
124.18
261.08

At the time he obtained the advance the debtor was supposed to have held a homestead or pre-emption entry to the above described quarter section. He signed an unpatented land lien which has been registered by the Dominion Government as a charge against the property if and when title issues.

The debtor was unable to complete his statutory duties, and he abandoned his entry and, according to our latest report, obtained in June 1932, the land is still vacant. It is evident that his entry has been cancelled, and as the property is in a very dry district in the Province, I do not consider it advisable that the former entrant's indebtedness be held as a charge there against. I recommend that the lien be withdrawn.

The debtor left the district in which this land is situate, and he was last heard of as being resident in Moose Jaw, Saskatchewan, and that he had no visible means of support. The Constable at that point reports that he apparently earns his livelihood by Bootlegging. The personal covenant is without value, and I recommend that the account be written off as being uncollectible.

Yours truly,

DIRECTOR.

Re: Account of A. Chestelson
S.W. 3-9-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918, 1919 and 1920 seed grain amounting to $411.50 was advanced to A. Chestelson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 411.50	$ 889.48	$ 1,300.98

The S.W. 3-9-7-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 28th of November 1922, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 6th of February 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"The above land is situated outside of the homestead lease area, and is included in Grazing Lease No. 33644. This lease issued for a term of twenty years, and expires on the 1st of October, 1968. It is not likely that the land will be used for farming purposes."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

SENT

Sir,-

S.E¼ of Sec. 12 Tp. 49 Rge. 23 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re NE¼ 25-18-10-W.4th Mer.
R.J.Huisman.

Referring to Mr. D.S.Sutherland's letter of the 11th ultimo, hereunder, complaining of the lien for $201.10 registered against the land above described, you will observe from Mr. Campbell's memorandum of the 2nd instant that liens amounting to $203.10 have been given by R. Huisman in connection with the SW¼ 13-18-10-W.4th Mer..

I have compared the signature of the said R. Huisman with that of the owner of the NE¼ 25-18-10-W.4th Mer., R.J.Huisman, and find them to be quite dissimilar. There is no doubt that they are two distinct and separate persons.

I presume therefore the liens given by R. Huisman may be removed from the NE¼ 25-18-10-W.4th Mer. without requiring any further documentary evidence.

Ryn Jorjon Hutsman.

I beg to inform you that representations have been made to this Department that various liens amounting to $361.10 are wrongfully registered by the [illegible] against the [illegible]-12-12-W.4th Mer. standing in the name of Ryn Jorjon Hutsman, and that the said liens should not cloud the title to the last mentioned land. It would appear that the liens given by Hutsman of Nine Lake, Alta., against the said 13-12-12-W.4th Mer., which have been paid in full, are the liens complained of.

You are, therefore, hereby authorized and requested to remove the lien for $361.10, No.[illegible], from the North-east quarter of Section 25, Township 12, Range 12, West 4th Mer..

A copy of this letter is being sent to Mr. B.Strum Solicitor, Barrister, Empress, Alta., who has written to the Department in this case.

Depart. of Interior,

Dear Sirs,-

I have taken up South African Scrip No. 5098, W. 7. N. E. S. E. of 20 - T. 37, R. 6, West of 5th and my husband, John Grant has taken the north half of section 20, T. 37, R. 6, West of 5th, No. 2917, on March 31st, 1911 when snow was on the ground.

I now find, that on account of marshes and rough land, it will be impossible for me to do the necessary cultivation on my half.

My husband, John Grant, is willing to exchange his north west quarter of Sect. 20, T.37, R. 6, west of 5th Mer. for my South East quarter of Section 20, T. 37, R. 6, west of 5th for both his quarters are good , and, the exchange would enable me to do the necessary requirements. Will you sanction this? Please reply at your earliest convenience as we intend to build at once.

Hoping you will grant my request.

I remain

Yours respectfully,

(Sgd.) Margaret Grant.

Dear Sir

I beg to acknowledge receipt of your letter dated the 20th inst. and in reply thereto I beg to say that I am making application for my extension of six months to reside upon my homestead for six months thereon.

I am not sure what the cause was that I could not reside upon my homestead for the six months required by law, but I will endeavour to explain the circumstances as briefly as possible.

In the fall of 1911 I started to haul our furniture and implements to our new land 23 miles N.W. of Edmonton from the C.N.R. station. I made arrangements with a man to haul my load for me. I made arrangements with a man to haul my load for me. I got into the track the end of September and moved on to my land.

My wife and I went out to our land to begin on the 2 day of Oct. 1911 and to our disappointment we found that the shack could not be finished in time to live in it with our furniture on the prairie no house near by to go in to and a seven months child in our arms

[illegible] came into Olds 10 a.m. I put my
and stayed there until about 10 a.m. then I put my
wife and child in the sleigh and we were homeward
bound.

I immediately got two men to help me haul and
build our home and in the 20th we went into our
new home.

Am I right in measuring our time to count from the
moment we started hauling the material to build
on the 20th

I stayed on my claim until the 3rd day of April with
the exception of 3 weeks and 3 days when my wife and
child in the Olds Hospital and we had to undergo medical
treatment

Now do you wish me to verify my statement I will
very cheerfully if within a radius of 4 miles to endorse the
statement, for a Mr. Bishop and his son who for their
personal reasons would not do so.

This summer I will [redacted] build a more
comfortable house on my wife's land so that she will
be more able to enjoy the duties as her mother found

just past us and I found we have a very small
amount to have to pay $7.75 per acre for breaking
breaking compared with $3.00 on the prairie. If we will
so low difficult it is to fulfill the conditions
strictly

We will have 7.40 acres all clear under crop next
summer. I. F. which means 160 acres in the
following winter for this entry I have 160 acres
clear for crop
I have now stated the true facts which I can
get witness to prove. and again we beg
you to grant us an extension

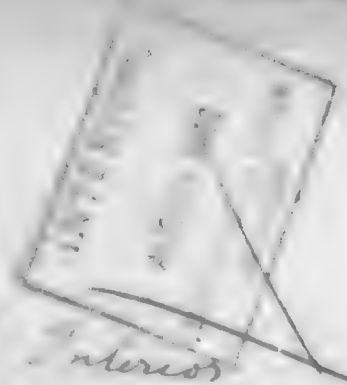

Yours respectfully

Sir,-

S.E. ¼ Sec. 24 Tp. 69 Rge. 1 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting these settlers, who had obtained patent for and had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to the Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sirs-

When in Winnipeg a few days ago I found that prairie fire had taken every particle of grass off a few days before. This will mean there will be no feed for stock on this land this year and it would be hard indeed to get along without feed.

I have until Sept 18th 1910 to perfect entry on this land, and I would ask that you grant me an additional six months so that I can go on next spring and have feed for stock -

Re Application for an Extension of Time.

On the 18th of April last Mr. Jos. S. Awde took the East half of Section 34, Township 26, Range 1, West of fourth meridian, as a volunteer bounty homestead, and he now writes asking for an extension of time until the spring of 1911 for the reason that a prairie fire a few days ago had destroyed every particle of grass on the land.

Refuse

"This will Mean," says Mr. Awde, "that there will be no feed for stock this year, and it would be hard indeed to get along without feed."

What is to prevent the grass growing in the Spring? Probably by no means there is abundant feed.

Please say if you consider this reason sufficient to comply with the request.

Dear Sirs.

When inspecting the S ½ 34- 26- 1- West 4th meridian a few days ago I found that prairie fire had taken every particle of grass off a few days before.

This will mean there will be no feed for stock on this land this year and it would be hard indeed to get along without feed.

I have until Sept 18th 1910 to perfect entry on this land, and I would ask that you grant me an additional six months so that I can go on next spring and have feed for stock.

Re Application for an Extension of Time.

On the 13th of April last Mr. Jos. S. Please say if you consider this reason sufficient to comply with the request.

What is to prevent the grass growing in the Spring? Probably by next there is abundant feed.
